The image shows a stylized left antler design. It features a central stem that branches into three main points at the top. The top-left branch has three smaller sub-branches, and the top-right branch has two. The bottom branch is a single, curved point. The design is presented as a black outline on a light beige background.

The image shows a stylized right antler design, which is a mirror image of the left antler. It features a central stem that branches into three main points at the top. The top-left branch has three smaller sub-branches, and the top-right branch has two. The bottom branch is a single, curved point. The design is presented as a black outline on a light beige background.
